

Senior Integrated Project Planner

For our client in Vlissingen we are hiring a **Senior Integrated Project Planner**.

Job description

A leading organization is seeking a Senior Integrated Project Planner to oversee the comprehensive construction process of naval vessels. The creation of a modern naval ship involves intricate planning, encompassing tens of thousands of tasks and numerous interdependencies. Your resource-loaded project schedule, developed using Primavera P6, will serve as a roadmap from initial concept and design through to production and commissioning. Your planning efforts will contribute significantly to the construction of our most esteemed assets: naval ships.

Key Responsibilities

- ✓ Collaborate with Project Managers, Team Leaders, and subcontractors to establish a baseline project plan.
- ✓ Monitor and evaluate operational plans to pinpoint delays and identify potential bottlenecks.
- ✓ Drive improvement initiatives to address challenges that arise during specific project phases.
- ✓ Create comprehensive overviews of progress status and forecast hour requirements.
- ✓ Assemble project data for planning across multiple projects within the portfolio.
- ✓ Lead the logistics team to ensure all project demands are effectively met.
- ✓ Participate in discussions and negotiations regarding import and export regulations, incoterms, and other customs-related matters as necessary.

Your qualifications

- ✓ More than 5 years of experience in planning large and complex technical projects.
- ✓ Strong expertise with Primavera P6 or MS Projects.
- ✓ Proficient in Earned Value Management methodologies.
- ✓ A Bachelor's or Master's degree in Logistics, Supply Chain Management, or a similar field.
- ✓ Experience with reporting tools (such as PowerBI) and ERP systems (like SAP) is advantageous.
- ✓ Strong references are required, as a pre-employment security screening is a standard part of the hiring process.

Important:

- ✓ Permanent EU citizenship and a valid passport are mandatory. Candidates with an EU work visa or those holding both EU and non-EU nationality/passport will not be considered due to the specific requirements related to the military nature of our projects.
