

SHE Supervisor

For our client in Antwerp we are hiring a **HSE Supervisor**.

Vacature omschrijving

- ✓ Guaranteeing quality, safety and environmental aspects during the project by, among other things, conducting safety rounds.
- ✓ Coördinating, advising and encouraging safety during the work.
- ✓ Identifying, analyzing and evaluating HSE risks, including based on analyzes of incidents, accidents and near-misses.
- ✓ Checking and managing work permits.
- ✓ Providing solicited and unsolicited advice in the areas of safety, health and the environment.
- ✓ Making and giving toolboxes.
- ✓ Preparing various reports.
- ✓ Attend and participate in safety meeting.
- ✓ Participate audits related to the SHE discipline of the contractors and support audits from outside parties.
- ✓ Monitor SHE and procurement work performed by the Contractors and other third party designers/vendors, providing oversight and guidance, ensuring that all work satisfies Project One specifications and standards

Je profiel

- ✓ Completed relevant safety education (e.g. PA2 or MVK).
- ✓ More than 15 years' experience on SHE supervision during construction on a major Construction Site.
- ✓ You have demonstrable work experience on projects within the petrochemical industry.
- ✓ Excellent command of the Dutch and English language, spoken and written.
- ✓ A valid VCA-VOL certificate or willing to do the VCA exam before start date
